#### ***Updated Priority Groups for November 21 H1N1 Clinic***

This is an UPDATE to the news release on November 18. Clinic operator SARA Services has received a supply of H1N1 vaccine that is approved for children ages 6 months to 4 years.

**WHAT:** SARA Services H1N1 Vaccination Clinic

**WHEN:** Saturday, November 21 from 8:00 a.m. to 5:00 p.m.

**WHERE:** Stegton Conference Center, 1450 Wall St., St. Charles, MO 63303

**WHO:** Only those in the following CDC priority groups will be able to receive vaccinations.

- Pregnant women
- People age 6 months to 24 years
- People age 25 to 64 with health conditions that make them more prone to flu complications
- People who live with or care for infants under 6 months of age
- Health care and emergency services workers

**NOTES:** Pre-registration is still open at [www.FluShotsToday.com](http://www.FluShotsToday.com). Pre-registration is not required, but is strongly suggested.

Approximately 1,200 doses of vaccine will be available at the clinic.
